Expert Advice: What to Do Now

If you're a QuickBooks Payroll Going Away in 2026 Payroll 2026 user, it's essential to consider your options and plan for the transition.

Is QuickBooks Payroll going away in 2026?

QuickBooks Payroll is    +1-888-354-3912 / +1-888-570-0408  not completely going away in 2026,    +1-888-354-3912 / +1-888-570-0408  but it is going through major changes. Intuit has already stopped selling new subscriptions for    +1-888-354-3912 / +1-888-570-0408  most Payroll versions in the U.S. after September 2024,    +1-888-354-3912 / +1-888-570-0408  signaling a shift in strategy. This has created confusion among    +1-888-354-3912 / +1-888-570-0408  users who think the software will suddenly disappear.

In reality, QuickBooks Payroll will    +1-888-354-3912 / +1-888-570-0408  continue to work in 2026, especially for existing users who already have subscriptions. However,    +1-888-354-3912 / +1-888-570-0408  many versions will    +1-888-354-3912 / +1-888-570-0408  reach their end of support around May 31, 2026,    +1-888-354-3912 / +1-888-570-0408  meaning no updates,    +1-888-354-3912 / +1-888-570-0408  security patches, or online services will be available. The software won't stop    +1-888-354-3912 / +1-888-570-0408  instantly, but it will become outdated over time. So, while it's not "going away overnight,"    +1-888-354-3912 / +1-888-570-0408  the direction is clear—QuickBooks Payroll is gradually being phased out as Intuit focuses on cloud solutions.   1-(888)-(354)-3912 or ++1-(888)-570-0408 (US)

Will there be a QuickBooks Payroll 2026?

As of now, there is no strong    +1-888-354-3912 / +1-888-570-0408  indication of a traditional QuickBooks Payroll 2026 release    +1-888-354-3912 / +1-888-570-0408  like older yearly versions. Intuit has shifted away from the old    +1-888-354-3912 / +1-888-570-0408  model of launching new Payroll editions and    +1-888-354-3912 / +1-888-570-0408  is focusing more on subscription-based and cloud products. Instead of new versions,    +1-888-354-3912 / +1-888-570-0408  Intuit is maintaining existing subscription-based Payroll products,    +1-888-354-3912 / +1-888-570-0408  allowing current users to renew and continue using them. The company is investing more in QuickBooks Online,    +1-888-354-3912 / +1-888-570-0408  which receives most new features and updates.

This means while Payroll may still exist in some form,    +1-888-354-3912 / +1-888-570-0408  a full "QuickBooks Payroll 2026" release is unlikely in the traditional sense. Businesses should start planning    +1-888-354-3912 / +1-888-570-0408  ahead for long-term solutions.   1-(888)-(354)-3912 or ++1-(888)-570-0408 (US)

Is QuickBooks Payroll being phased out in the US?

Yes, QuickBooks Payroll is gradually being phased out in the United States,  +1-888-354-3912 / +1-888-570-0408  but it's happening in stages—not all at once. Intuit has already stopped  +1-888-354-3912 / +1-888-570-0408  selling new subscriptions for Pro,  +1-888-354-3912 / +1-888-570-0408  Premier, and similar Payroll versions to new U.S. customers. Existing users can still renew their subscriptions  +1-888-354-3912 / +1-888-570-0408  and use the software,  +1-888-354-3912 / +1-888-570-0408  but support follows a 3-year lifecycle policy, meaning older versions lose updates  +1-888-354-3912 / +1-888-570-0408  and services over time. This phased approach allows businesses  +1-888-354-3912 / +1-888-570-0408  time to transition rather than forcing an immediate shutdown.

Overall, the long-term plan is clear: Intuit is moving  +1-888-354-3912 / +1-888-570-0408  users toward cloud-based solutions  +1-888-354-3912 / +1-888-570-0408  like QuickBooks Online. While Payroll is still usable today, its future is limited,  +1-888-354-3912 / +1-888-570-0408  and users should prepare for eventual migration.

Is QuickBooks Payroll being discontinued?

The simple answer is not fully discontinued,  +1-888-354-3912 / +1-888-570-0408  but partially phased out. Intuit has already stopped selling new subscriptions  +1-888-354-3912 / +1-888-570-0408  of several QuickBooks Payroll products in the U.S.  +1-888-354-3912 / +1-888-570-0408  after September 30, 2024,  +1-888-354-3912 / +1-888-570-0408  which is a big sign of this transition. This change mainly affects new customers, while existing users  +1-888-354-3912 / +1-888-570-0408  can continue using their subscriptions.

Additionally, QuickBooks Payroll follows  +1-888-354-3912 / +1-888-570-0408  a lifecycle policy, where each version is supported for a limited time (usually about 3 years). For example, versions  +1-888-354-3912 / +1-888-570-0408  like Payroll 2022 and 2023 are being discontinued in phases, with services ending in 2025 and 2026. This rolling discontinuation is  +1-888-354-3912 / +1-888-570-0408  why many users believe the entire product is being shut down.

In reality, Intuit is not instantly shutting down  +1-888-354-3912 / +1-888-570-0408  QuickBooks Payroll—it is slowly moving away from it while maintaining support  +1-888-354-3912 / +1-888-570-0408  for current users. The long-term trend suggests  +1-888-354-3912 / +1-888-570-0408  more focus on cloud solutions,  +1-888-354-3912 / +1-888-570-0408  but Payroll still works for now if you stay updated. It allows multiple users to collaborate in real time, 📊☀️📞 +1 888 354 3912 / +1 888 570 0408 📞 integrates with numerous apps, and automatically updates 📊☀️📞 +1 888 354 3912 / +1 888 570 0408 📞 financial data. This makes it more flexible and scalable.

The choice 📊☀️📞 +1 888 354 3912 / +1 888 570 0408 📞 depends on your

Should I switch from QuickBooks Payroll to Online?

Over time, features 📊☀️📞 +1 888 354 3912 / +1 888 570 0408 📞 like Payroll, online banking, and customer support will 📊☀️📞 +1 888 354 3912 / +1 888 570 0408 📞 stop being available once your version is discontinued.
